## Community Update

### Community Engagement Plan:

The Community Engagement Plan associated to Berrybank Stage-2 Wind Farm comprises a range of different initiatives such as:

- **Neighbour Benefits Program:** Voluntary deeds for neighbours whose household is located within a maximum radius of 2 km in order to compensate them for the potential impacts of the Wind Farm not only during construction but also during the operation period.
- **Community Grants Program:** Program to be implemented in coordination with Corangamite and Golden Plains Shire Councils to provide funding for the development of community projects with specific focus in the area surrounding the Wind Farm.

**Good Friday Appeal:** Each year the Good Friday Appeal brings together people from across the community to raise much needed funds to support the staff, patients, and their families at The Royal Children's Hospital. The strength of the Good Friday Appeal lies with the thousands of people who volunteer their time, expertise, and creativity to organise fundraising activities throughout the year.

Following a successful fundraiser last year, the Berrybank Wind Farm Team has come together again to organise a small fundraiser for all site personnel to participate in purchasing a Hamburger and Can of Soft drink for \$5.00 on Wednesday 31<sup>st</sup> of March which all funds raised have been donated to the Good Friday Appeal which we have successfully raised \$770.

## Construction Update

Principal Contractor Vestas along with Civil (BoP) Contractor Bilbey have now begun construction on the Berrybank Stage-2 Wind Farm.

To current, Bilbey have stripped the topsoil from approx. 4km of internal access tracks and begun the construction of the drainage systems for these access tracks.
