Berrybank Stage 1 Wind Farm

Global Power Generation is pleased to announce that the commissioning of the 43 Turbine Stage-1 Berrybank Wind Farm is now complete and producing electricity to the Victorian Energy Grid via the Ballarat-Terang Transmission Line.

Berrybank Stage 2 Wind Farm

Construction works are continuing on 26 Turbine Stage-2 Berrybank Wind Farm, our construction teams have been busy creating internal access tracks, hard stands, excavating Wind Turbine Generator foundations and installing the underground medium voltage cabling.

Community Update

Global Power Generation is continuing to work with both Golden Plains Shire Council and Corangamite Shire Council on the development of the Community Grants Programs that will be running during the operations period of the Berrybank Wind Farm, we expect to have some exciting news on the Community Grants Programs soon.
